The question is...

Four horizontal green wavy lines are positioned to the left of the text, resembling stylized waves or a decorative border.

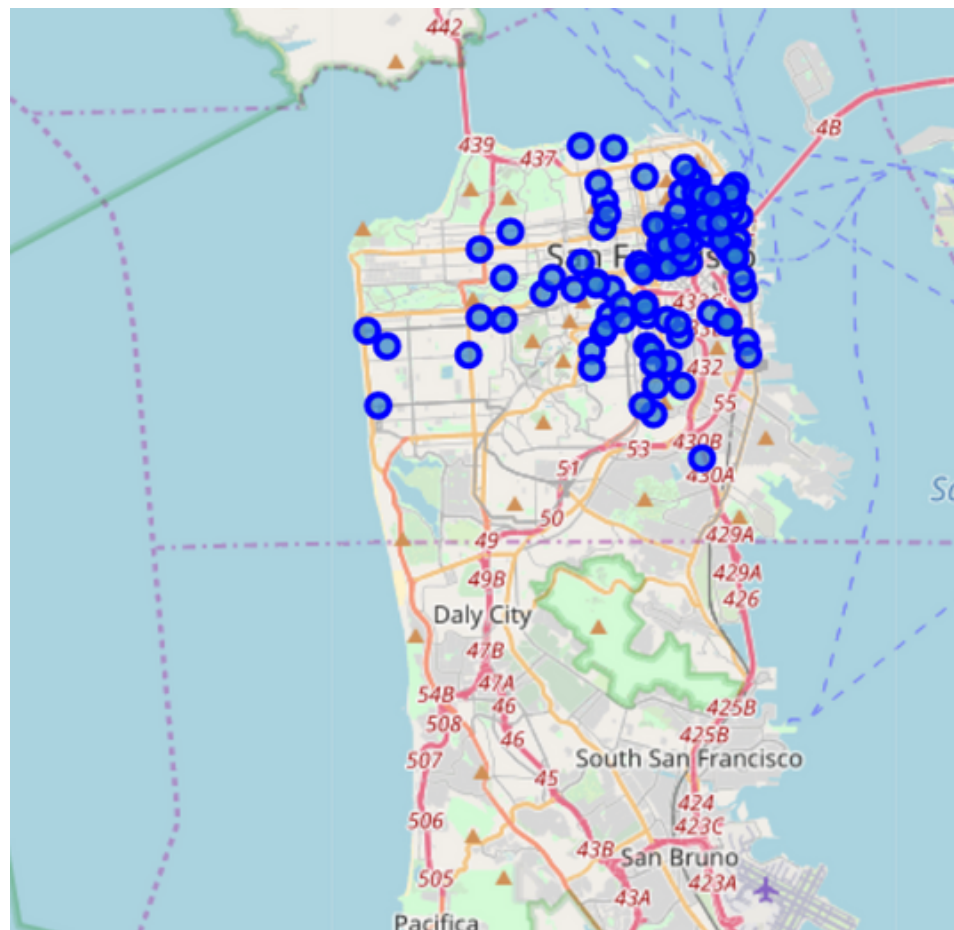

"What if I were to go to the USA, for travel, where should I go to drink coffee from as many coffee stores as possible, in proximity to my hotel?"

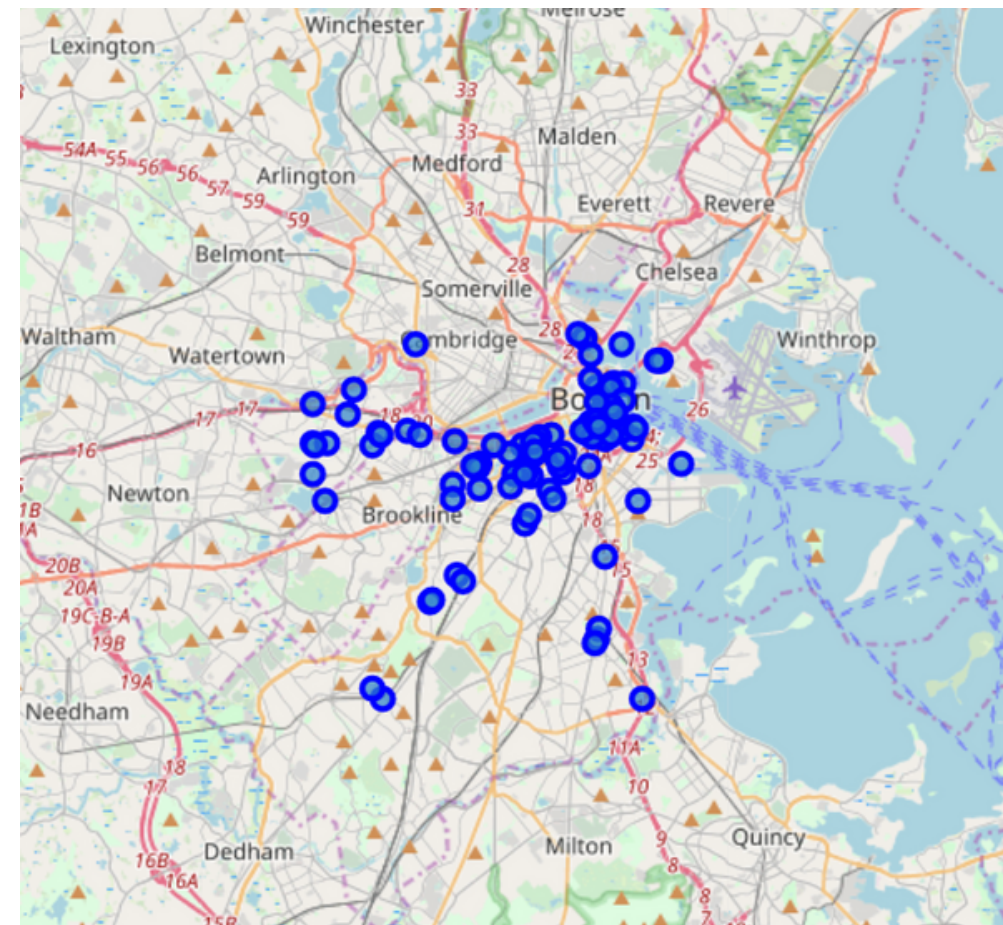

SO I WANT TO GO
TO A PLACE WITH
A HIGH DENSITY
OF COFFEE
SHOPS AROUND
ME.

The problem we aim to solve is that different cities have different layouts and citizens with different preferences, which may favor or inhibit the proximity of a coffee shop to another.

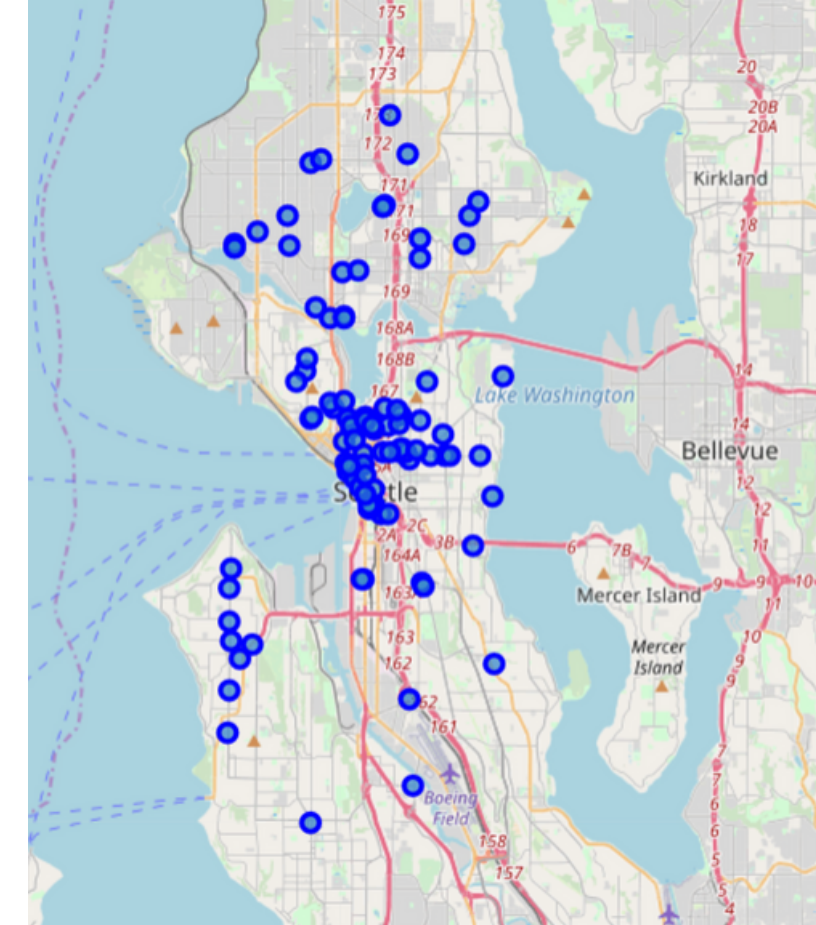

TOP 4 CITIES FOR A COFFEE

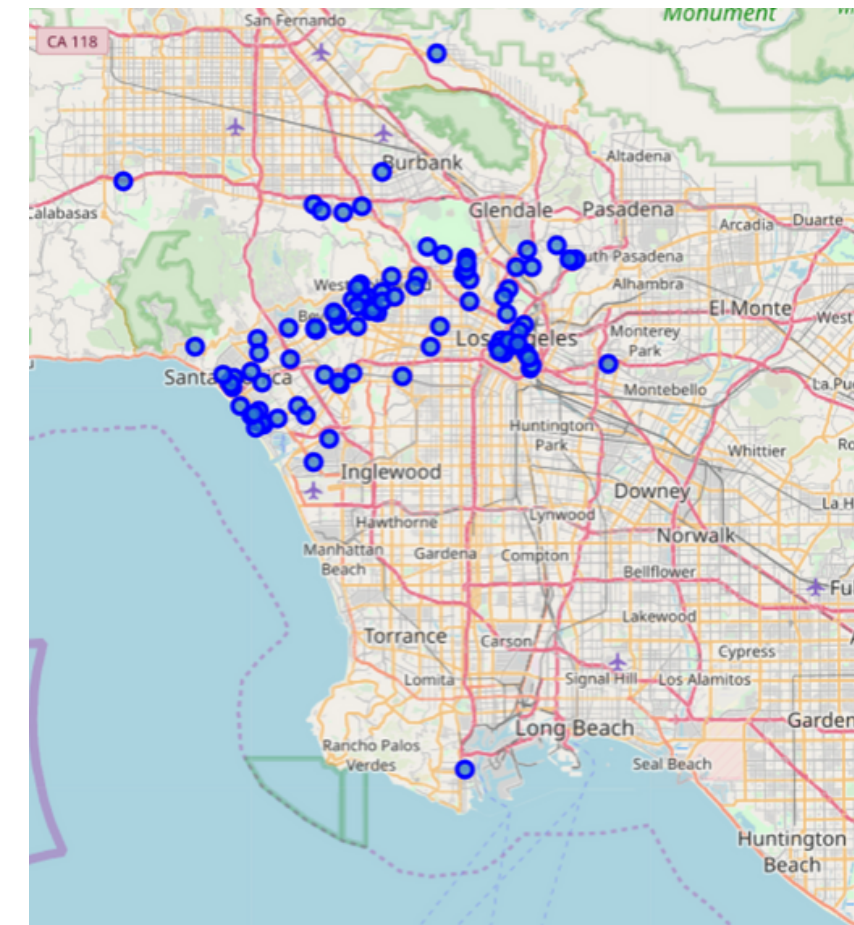

San Francisco

Boston

Seattle

Los Angeles

Now there is no doubt that San Francisco is the best place to try many Cofee Places in the US.
